**Prerequisite:** 1.0 units of Family Studies 2000-level courses, or enrolment in third or fourth year of the Major in Law, Crime, and Deviance or Honors Specialization in Crime

and Communities modules, or permission of instructor.

## COURSE DESCRIPTION:

Family violence is a social problem that affects all of us and has serious personal, social and material ramifications. This course will examine the extent and nature of various forms of family violence across the life course. This course will examine the theoretical perspectives on family violence, the impact on victims, families and society, the typologies of abuse, disclosure issues and the role of media. Topics will include intimate partner violence, physical & sexual child abuse, parent abuse and elder abuse, with an emphasis on the prevalence, incidence, causes, consequences and solutions for each.

# **LEARNING OUTCOMES**

By the end of this course you will be able to:

- 1. Identify the sociological and feminist theoretical views of various forms of family violence across the life span,
- 2. Understand the prevalence and incidence and dynamics of intimate partner violence.
- 3. Understand the impact of domestic violence on child development,
- 4. Understand the prevalence, incidence and dynamics of child physical, sexual abuse and neglect.
- 5. Understand the nature and consequences of sibling and parent abuse,
- 6. Understand the dynamics of elder abuse,
- 7. Recognize and consider the role of media in perpetuating violence in society,

- 8. Consider the personal and institutional interventions that are employed to end family violence,
- 9. Consider solutions to ending family violence.

### BRESCIA COMPETENCIES

\* Communication: the ability to exchange information and meaning across cultures, space, and time appropriately and correctly. This competency includes oral, written, and interpersonal communication, and the ability to use current or innovative media.

Problem Solving: the ability to create and execute a strategy to answer a question or achieve a goal. Includes being able to anticipate the consequences of a potential solution, select a strategy among several alternatives, and decide when an acceptable outcome has been reached.

Self Awareness & Development: the ability to draw meaning, knowledge, and value from honest and fair reflection and self evaluation. Students are able to recognize their emotions and patterns of thinking, their impact on others, and make a commitment to personal growth.

4. Written Assignment: 15% Due October 17th, 2016

# LECTURE SCHEDULE

Written Assignment 15% of your grade

# Pick one of the following:

- (A) Find a current online newspaper or media article on domestic violence involving a case before the courts and explain the extent to which the article is consistent with the academic/research or professional literature on domestic violence (use the textbook or research literature from the course to support your argument). Further, identify any aspect of the article that is misleading or supports a myth(s) or misconception(s) about domestic violence according to the research/professional.
- (B) Find three public service ads that address domestic violence issues (they could either be three separate issues, for example, elder abuse, intimate partner abuse, or child abuse, or all the same, for example, all related to intimate partner abuse) and discuss what the main message of each is, how that message is countering a common myth or viewpoint about domestic violence, where/when the ad has been placed and why you think that was important for influencing the audience (social media, television, magazine, building). The ad can be either in print or video (include a link). Use the text or other research/academic references to ground your views.
- (C) Pick a topic from the course (intimate partner violence, elder abuse, same sex partner abuse, parent abuse) and discuss the issue (why it is a problem) focusing on what societal factors contribute to perpetuating the problem, and what changes would need to occur to eradicate the problem (for example, what factors lead to physical abuse of children, and what might be done to address that problem). Ensure that your arguments are grounded in research literature on the topic (for example, using the above topic, what does the research say

about how banning corporal punishment has impacted physical abuse of children in Sweden),

Your paper should be 5 pages maximum, and it must be prepared in APA format.

Due Date: Late submissions will be penalized 1% up to five days, after which the assignment will not be accepted.

# Class Participation:

Over the course of the 12 classes, 6 in class questions will be assigned related to the class. You will hand the answer in at the end of the class. Each question is worth 2 marks. The best 5 marks will be worth 10% of your mark. This in class participation mark is designed to encourage class attendance and participation. Since each question is only worth 2 marks in total, there will be no make up for a missed class. The lowest mark will be dropped to account for a possible absent class.

# BRESCIA UNIVERSITY COLLEGE ACADEMIC POLICIES AND REGULATIONS

# 1. POLICY REGARDING MAKEUP EXAMS AND EXTENSIONS OF DEADLINES

When a student requests academic accommodation (e.g., extension of a deadline, a makeup exam) for work representing 10% or more of the student's overall grade in the course, it is the responsibility of the student to provide acceptable documentation to support a medical or compassionate claim. All such requests for academic accommodation must be made through an Academic Advisor and include supporting documentation. Academic accommodation for illness will be granted only if the documentation indicates that the onset, duration and severity of the illness are such that the student could not reasonably be expected to complete her academic responsibilities. Minor ailments typically treated by over-the-counter medications will not normally be accommodated. Documentation shall be submitted as soon as possible to the student's Academic Advisor indicating the period of illness and when the student should be able to resume academic responsibilities. Students must submit their documentation along with a request for relief specifying the nature of the accommodation being requested no later than two business days after the date specified for resuming responsibilities. Appropriate academic accommodation will be determined by the Dean's Office in consultation with the student's instructor(s). Please note that personal commitments (e.g., vacation flight bookings, work schedule) which conflict with a scheduled test, exam or course requirement are not grounds for academic accommodation. A UWO Student Medical Certificate (SMC) is required if a student is seeking academic accommodation on medical grounds. This documentation should be obtained at the time of the initial consultation with the physician/nurse practitioner or walk-in clinic. A SMC can be downloaded from: <a href="http://www.westerncalendar.uwo.ca/2016/pg117.html">http://www.westerncalendar.uwo.ca/2016/pg117.html</a>. The student must request documentation sufficient to demonstrate that her ability to meet academic responsibilities was seriously affected. Please note that under University Senate regulations documentation stating simply that the student "was seen for a medical reason" or "was ill" is not adequate to support a request for academic accommodation.

Whenever possible, requests for academic accommodation should be initiated in advance of due dates, examination dates, etc. Students must follow up with their professors and Academic Advisor in a timely manner.

The full policy on requesting accommodation due to illness can be viewed at: <a href="http://www.uwo.ca/univsec/pdf/academic\_policies/appeals/accommodation\_illness.pdf">http://www.uwo.ca/univsec/pdf/academic\_policies/appeals/accommodation\_illness.pdf</a>

# 2. ACADEMIC CONCERNS

If you feel that you have a medical or personal problem that is interfering with your work, contact your instructor and Academic Advisor as soon as possible. Problems may then be documented and possible arrangements to assist you can be discussed at the time of occurrence rather than on a retroactive basis. Retroactive requests for academic accommodation on medical or compassionate grounds may not be considered.

If you think that you are too far behind to catch up or that your work load is not manageable, you should consult an Academic Advisor. If you consider reducing your workload by dropping one or more courses, this must be done by the appropriate deadlines (refer to the Registrar's website, www.registrar.uwo.ca, for official dates). You should consult with the course instructor and the Academic Advisor who can help you consider alternatives to dropping one or more courses. Note that dropping a course may affect OSAP eligibility and/or Entrance Scholarship eligibility.

The Dean may refuse permission to write the final examination in a course if the student has failed to maintain satisfactory academic standing throughout the year or for too frequent absence from the class or laboratory (http://www.westerncalendar.uwo.ca/2016/pg130.html)

## 3. ABSENCES

Short Absences: If you miss a class due to a minor illness or other problems, check your course outline for information regarding attendance requirements and make sure you are not missing a test or assignment. Cover any readings and

arrange to borrow notes from a classmate. Contact the course instructor if you have any questions.

Extended Absences: If you have an extended absence, you should contact the course instructor and an Academic Advisor. Your course instructor and Academic Advisor can discuss ways for you to catch up on missed work and arrange academic accommodations, if appropriate.

## 4. POLICY ON CHEATING & ACADEMIC MISCONDUCT

Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, at the following Web

site <a href="http://www.westerncalendar.uwo.ca/2016/pg113.html">http://www.westerncalendar.uwo.ca/2016/pg113.html</a>

Students are responsible for understanding the nature of and avoiding the occurrence of plagiarism and other academic offences. Students are urged to read the section on Scholastic Offences in the Academic Calendar. Note that such offences include plagiarism, cheating on an examination, submitting false or fraudulent assignments or credentials, impersonating a candidate, or submitting for credit in any course without the knowledge and approval of the instructor to whom it is submitted, any academic work for which credit has previously been obtained or is being sought in another course in the University or elsewhere. Students are advised to consult the section on Academic Misconduct in the Western Academic Calendar.

If you are in doubt about whether what you are doing is inappropriate or not, consult your instructor, the Student Services Centre, or the Registrar. A claim that "you didn't know it was wrong" is not accepted as an excuse. The penalties for a student guilty of a scholastic offence (including plagiarism) include refusal of a passing grade in the assignment, refusal of a passing grade in the course, suspension from the University, and expulsion from the University. Plagiarism: Students must write their essays and assignments in their own words. Whenever students take an idea or a passage from another author, they must acknowledge their debt both by using quotation marks where appropriate and by proper referencing such as footnotes or citations. Plagiarism is a major academic offence (see Scholastic Offence Policy in the Western Academic Calendar).

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and

Turnitin.com.

# Computer-marked Tests/exams:

Computer-marked multiple-choice tests and/or exams may be subject to submission for similarity review by software that will check for unusual coincidences in answer patterns that may indicate cheating. Software currently in use to score computer-marked multiple-choice tests and exams performs a similarity review as part of standard exam analysis.

# 5. PROCEDURES FOR APPEALING ACADEMIC EVALUATIONS

All appeals of a grade must be directed first to the course instructor. If the student is not satisfied with the decision of the course instructor, a written appeal signed by the student must be sent to the Department Chair. If the response of the department is considered unsatisfactory to the student, she may then submit a signed, written appeal to the Office of the Dean. Only after receiving a final decision

from the Dean may a student appeal to the Senate Review Board Academic. A Guide to Appeals is available from the Ombudsperson's Office, or you can consult an Academic Advisor. Students are advised to consult the section on Student Academic Appeals under Academic Rights and Responsibilities in the Western Academic Calendar

(http://www.westerncalendar.uwo.ca/2016/pg112.html)

# 6. PREREQUISITES AND ANTIREQUISITES

Unless you have either the prerequisites for a course or written special permission from your Dean to enroll in it, you will be removed from the course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisite(s).

Similarly, you will also be deleted from a class list if you have previously taken an anti-requisite course unless this has the approval of the Dean. These decisions may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course because you have taken an anti-requisite course.

# 7. SUPPORT SERVICES

The Brescia University College Registrar's website, with a link to Academic Advisors, is at is at http://brescia.uwo.ca/academics/registrar-services/. The website for the Student Development Centre at Western is at <a href="http://www.sdc.uwo.ca/">http://www.sdc.uwo.ca/</a>.

Students who are in emotional/mental distress should refer to Mental Health @ Western http://uwo.ca/health/mental\_wellbeing/ for information including a complete list of options about how to obtain help. Portions of this document were taken from the Academic Calendar, the Handbook of Academic and Scholarship Policy and the Academic Handbook of Senate Regulations. This document is a summary of relevant regulations and does not supersede the academic policies and regulations of the Senate of the University of Western Ontario.
