Place of Fr 1002 in French studies at Brescia

this is an intensive preparatory course designed for students with little or no experience of French. Successful completion of French 1002 will give students a level of competency approximately equivalent to that of mid-secondary school. Fr 1002 is designed to prepare students for Fr 1010, successful completion of which renders students eligible for admission to Brescia's first-year French credit course, Fr 1910.

Instructional Objectives:

successful completion of this introductory level course will indicate that the student has sufficiently developed his or her linguistic performance - in oral and written expression; and oral and written comprehension - to put into practice the acquired phonetic, lexical, syntactic, grammatical and cultural elements which, as established by the **Common European Framework of Reference for Languages**, are those of the foreign language student at the "**A1 Breakthrough or beginner**" level - please consult the following links:

The students of French 1002 will study to acquire A1 level competency necessary for basic communication in various real-life domains such as family relations and matters, daily activities, descriptions, both physical and related to character, education, employment, weather, sports, purchases, food and drink, housing, travel, leisure activities.

In particular, students will study to achieve A1 level linguistic competency with respect to the following:

Graphic Systems:

alphabet, accents, signes typographique.

Grammaire:

grammatical gender and number:

masculin, féminin, singulier, pluriel;

grammatical functions:

sujet, attribut, complément d'objet direct, complément d'objet indirect;

actions and activities.

Phonetics:

consonnes finales, liaison, élision, enchaînement, voyelles orales et nasales, semi-voyelles, intonation, accent, « e » caduc, « h » muet et « h » aspiré;

Overview of Class & Lab Work:

classroom work involves note taking, regular readings, oral group and individual exercises of application, as well as written exercises. Students will do exercises and activities individually, with partners and in groups. The language lab program consists essentially of oral, and aural components, i.e. French language content mediated primarily through oral activities.

Class & Lab Attendance:

regular attendance and active participation in class and lab sessions are necessary ingredients for success. Attendance is recorded. It is important to arrive on time and to stay to the end of class. Please advise your professor in case of unavoidable absences, such as illness or family emergencies and be prepared to provide documentation.

**Language lab assignments:
(to be submitted):**

there is 1 laboratory assignment per term, based on content indicated in the “Laboratory Manual” section of the SAM = Student Activity Manual (details to follow). Due dates of assignments are indicated below on the course “Assignment Timetable/Emploi du Temps des Devoirs”.

Term Tests:

there is 1 written term test per term based on the material in the textbook studied in class (see assignment timetable/*emploi du temps* for dates). Requests to write a make-up test will be granted only in special circumstances upon submission of documentation. Prior notification of the professor, where possible, of an absence during a scheduled test, is required before permission to write a make-up test is given.

Written Homework Assignments:

there are 6 assignments (6 assignments based on 6 of the 7 chapters studied in the textbook), each consisting of selected workbook exercises based on chapters 1-6 of textbook. These assignments must be submitted by the due date, failing which a penalty of – 2% per day is imposed up to a maximum of 10% (5 school days, after which assignments will not be accepted). Most of the answers to the questions posed in the exercises are made available to the students in the form of “answer keys” found on the Fr 1002 section 570 course site in Western’s course delivery platform *Sakai*. What is required of each student is that he or she submit

all original answers, **as well as corrections** made to the latter, should errors be made. Marks will not be deducted for incorrect original answers; **marks will be deducted, however, if exercises are incomplete, not done, or consistently and extensively done incorrectly**, the latter state of affairs indicating the student's fundamental incomprehension of the language point(s) at issue. Since the students will themselves do the checking and correcting of their answers, it is imperative that this work be done conscientiously and very thoroughly; imperative also, it goes without saying, that the students not merely copy the correct answers, and submit their assignments with answers which are not their own, and which they do not necessarily understand. The students who do the preceding, will not only have committed a grave academic infraction, but will also be at a serious disadvantage when they write their 2 term tests (2x15% = 30%), and their final exam (35%). For some of the exercises, the answer key bears the indication "Answers will vary", "Possible answers" and "Suggested answers". The answers given here are not the only correct answers. For such exercises, as is the case with the others mentioned above, no marks are deducted for original incorrect answers; however, if it is evident that students have merely copied the suggested or possible answers found in the answer key, a penalty is imposed.

Final Examination:

there is a 3hour final **cumulative** exam during the April exam period; there is no mid-term exam in December.

BRESCIA COMPETENCIES

Upon successful completion of this course, students will be able to:

1. display the communication competency by being able to:

- demonstrate understanding and mastery of some basic grammatical concepts;
- apply new vocabulary, grammar and pronunciation to various communication situations;
- apply their knowledge and skills in oral and written comprehension and production in simple authentic communication situations;
- contribute to conversation by offering personal comments that are relevant;

2. demonstrate the Inquiry, and Analysis and Information Literacy competencies by being able to:

- evaluate evidence to identify patterns, differences, similarities, limitations, implications, etc. and relate a particular case to a general (grammatical, phonetic) rule;
- analyze their own limitations and weaknesses; find the appropriate available information (in dictionary, grammar books, internet, etc.) to complement and develop knowledge and skills;
- seek help when needed (ask questions of the professor, go to the writing center, etc.);
- compare different strategies for personally managing and mastering information.

2019-20 BRESCIA UNIVERSITY COLLEGE ACADEMIC POLICIES AND REGULATIONS

1. POLICY REGARDING ACADEMIC ACCOMMODATION

The complete policy regarding [Accommodation for Illness - Undergraduate Students](#) can be found at

http://www.westerncalendar.uwo.ca/PolicyPages.cfm?Command=showCategory&PolicyCategoryID=1&SelectedCalendar=Live&ArchiveID=#Page_12.

Students who have long-term or chronic medical conditions which may impede their ability to complete academic responsibilities should seek Academic Accommodation through Student Accessibility Services

(http://www.westerncalendar.uwo.ca/PolicyPages.cfm?PolicyCategoryID=1&Command=showCategory&SelectedCalendar=Live&ArchiveID=#Page_10).

Personal commitments (e.g., vacation flight bookings, work schedule) which conflict with a scheduled test, exam or course requirement are **not** grounds for academic accommodation.

Students who experience an illness or extenuating circumstance sufficiently severe to temporarily render them unable to meet academic requirements may submit a request for academic consideration through the following routes:

1. Submitting a **Self-Reported Absence** form provided that the conditions for submission are met;
2. For medical absences, submitting a **Student Medical Certificate (SMC)** signed by a licensed medical or mental health practitioner;
3. For non-medical absences, submitting **appropriate documentation** (e.g., obituary, police report, accident report, court order, etc.) to their Academic Advisor. Students are encouraged to contact their Academic Advisor to clarify what documentation is acceptable.

Requests for Academic Consideration Using the Self-Reported Absence Portal

Students who experience an unexpected illness or injury or an extenuating circumstance of 48 hours or less that is sufficiently severe to render them unable to meet academic requirements should self-declare using the online Self-Reported Absence portal. This option should be used in situations where the student expects to resume academic responsibilities within 48 hours. Note that the excused absence includes all courses and academic requirements within the up to 48 hours, it is not intended to provide an excused absence from a single course while students fulfill their academic responsibilities in other courses during that time.

The following conditions are in place for self-reporting of medical or extenuating circumstances:

1. Students will be allowed a **maximum of two self-reported absences** between September and April and one self-reported absence between May and August;
2. The duration of the absence will be for a maximum of 48 hours from the time the Self-Reported Absence form is completed through the online portal, or from 8:30 am the following morning if the form is submitted after 4:30 pm;
3. The excused absence will terminate prior to the end of the 48 hour period if the student undertakes significant academic responsibilities (writes a test, submits a paper) during that time;
4. Self-reported absences will **not** be allowed for scheduled final examinations; midterm examinations scheduled during the December examination period; or for final lab examinations scheduled during the final week of term;
5. Self-report absences may **not** be used for assessments worth more than 30% of any course;
6. Any absences in excess of 48 hours will require students to present a Student Medical Certificate (SMC), or appropriate documentation;

7. Students **must** communicate with their instructors **no later than 24 hours after the end of the period covered by the Self-Reported Absence form** to clarify how they will fulfil the academic expectations they may have missed during the absence.

Request for Academic Consideration for a Medical Absence

When a student requests academic accommodation (e.g., extension of a deadline, a makeup exam) for work representing 10% or more of the student's overall grade in the course, it is the responsibility of the student to provide acceptable documentation to support a medical or compassionate claim. All such requests for academic accommodation **must** be made through an Academic Advisor and include supporting documentation.

Academic accommodation for illness will be granted only if the documentation indicates that the onset, duration and severity of the illness are such that the student could not reasonably be expected to complete their academic responsibilities. Minor ailments typically treated by over-the-counter medications will not normally be accommodated.

The following conditions apply for students seeking academic accommodation on medical grounds:

1. Students must submit their Student Medical Certificate (SMC) along with a request for relief specifying the nature of the accommodation being requested no later than two business days after the date specified for resuming responsibilities. An SMC can be downloaded from http://www.uwo.ca/univsec/pdf/academic_policies/appeals/medicalform.pdf ;
2. In cases where there might be an extended absence or serious issue, students should submit their documentation promptly and consult their Academic Advisor for advice during their recovery period;
3. Whenever possible, students who require academic accommodation should provide notification and documentation in advance of due dates, scheduled tests or examinations, and other academic requirements;
4. Students **must** communicate with their instructors **no later than 24 hours** after the end of the period covered by the SMC to clarify how they will fulfil the academic expectations they may have missed during the absence;
5. Appropriate academic accommodation will be determined by the Dean's Office/Academic Advisor in consultation with the course instructor(s). Academic accommodation may include extension of deadlines, waiver of attendance requirements, arranging Special Exams (make-ups), re-weighting course requirements, or granting late withdrawal without academic penalty.

The [full policy on requesting accommodation due to illness](http://www.westerncalendar.uwo.ca/PolicyPages.cfm?Command=showCategory&PolicyCategoryID=1&SelectedCalendar=Live&ArchiveID=#Page_12) can be viewed at: http://www.westerncalendar.uwo.ca/PolicyPages.cfm?Command=showCategory&PolicyCategoryID=1&SelectedCalendar=Live&ArchiveID=#Page_12

2. ACADEMIC CONCERNS

If you feel that you have a medical or personal challenge that is interfering with your work, contact your instructor and Academic Advisor as soon as possible. Problems may then be documented and possible arrangements to assist you can be discussed at the time of occurrence rather than on a retroactive basis. Retroactive requests for academic accommodation on medical or compassionate grounds are not normally considered.

If you think that you are too far behind to catch up or that your work load is not manageable, you should consult your Academic Advisor. If you consider reducing your workload by dropping one or more courses, this must be done by the appropriate deadlines; please refer to the [Registrar's website](http://brescia.uwo.ca/academics/registrar-services/), <http://brescia.uwo.ca/academics/registrar-services/> or the list of official sessional dates in the Academic Calendar (<http://www.westerncalendar.uwo.ca/SessionalDates.cfm?SelectedCalendar=Live&ArchiveID=>).

You should consult with the course instructor and the Academic Advisor who can help you consider alternatives to dropping one or more courses. *Note that dropping a course may affect OSAP eligibility and/or Entrance Scholarship eligibility.*

3. ABSENCES

Short Absences: If you miss a class due to a minor illness or other problems, check your course outline for information regarding attendance requirements and make sure you are not missing a test or assignment. Cover any readings and arrange to borrow notes from a classmate. Contact the course instructor if you have any questions.

Extended Absences: If you have an extended absence, you should contact the course instructor and an Academic Advisor. Your course instructor and Academic Advisor can discuss ways for you to catch up on missed work, and arrange academic accommodations if appropriate and warranted.

It is important to note that the Academic Dean may refuse permission to write the final examination in a course if the student has failed to maintain satisfactory academic standing throughout the year or for too frequent absence from the class or laboratory (http://www.westerncalendar.uwo.ca/PolicyPages.cfm?Command=showCategory&PolicyCategoryID=5&SelectedCalendar=Live&ArchiveID=#SubHeading_68).

4. SCHOLASTIC OFFENCES

Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence at: http://www.westerncalendar.uwo.ca/PolicyPages.cfm?Command=showCategory&PolicyCategoryID=1&SelectedCalendar=Live&ArchiveID=#Page_20.

Students are responsible for understanding the nature of and avoiding the occurrence of plagiarism and other academic offences. Note that such offences include plagiarism, cheating on an examination, submitting false or fraudulent assignments or credentials, impersonating a candidate, or submitting for credit in any course without the knowledge and approval of the instructor to whom it is submitted, any academic work for which credit has previously been obtained or is being sought in another course in the University or elsewhere. Students are advised to consult the section on Scholastic Discipline for Undergraduate Students in the Academic Calendar.

If you are in doubt about whether what you are doing is inappropriate or not, consult your instructor, the Academic Dean's Office, or the Registrar. A claim that "you didn't know it was wrong" is not accepted as an excuse.

The penalties for a student guilty of a scholastic offence (including plagiarism) include refusal of a passing grade in the assignment, refusal of a passing grade in the course, suspension from the University, and expulsion from the University.

Plagiarism:

Students must write their essays and assignments in their own words. Whenever students take an idea or a passage from another author, they must acknowledge their debt both by using quotation marks where appropriate and by proper referencing such as footnotes or citations. Plagiarism is a major academic offence.

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently

submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com (<http://www.turnitin.com>).

Computer-marked Tests/exams:

Computer-marked multiple-choice tests and/or exams may be subject to submission for similarity review by software that will check for unusual coincidences in answer patterns that may indicate cheating. Software currently in use to score computer-marked multiple-choice tests and exams performs a similarity review as part of standard exam analysis.

5. PROCEDURES FOR APPEALING ACADEMIC EVALUATIONS

All appeals of a grade must be directed first to the course instructor. If the student is not satisfied with the decision of the course instructor, a written appeal is to be sent to the School Chair. If the response of the Chair is considered unsatisfactory to the student, they may then submit a written appeal to the Office of the Dean. If the student is not satisfied with the decision of the Dean, they may appeal to the Senate Review Board Academic (SRBA), if there are sufficient grounds for the appeal and if the matter falls within the jurisdiction of the SRBA. For information on academic appeals consult your Academic Advisor or see the Student Academic Appeals – Undergraduate in the Academic Calendar http://www.westerncalendar.uwo.ca/PolicyPages.cfm?Command=showCategory&PolicyCategoryID=1&SelectedCalendar=Live&ArchiveID=#Page_14.

Note that final course marks are not official until the Academic Dean has reviewed and signed the final grade report for the course. If course marks deviate from acceptable and appropriate standards, the Academic Dean may require grades to be adjusted to align them with accepted grading practices.

6. PREREQUISITES

Unless you have either the prerequisites for a course or written special permission from the Dean to enroll in it, you will be removed from the course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisite(s).

7. SUPPORT

Support Services

The Brescia University College Registrar's website, with a link to Academic Advisors, is at <http://brescia.uwo.ca/academics/registrar-services/>. Students can access supports through Brescia's Student Life Centre (<http://brescia.uwo.ca/life/student-life/>) and Learning Skills Services at Western (<https://www.uwo.ca/sdc/learning/>)

Mental Health and Wellness

Students may experience a range of issues that can cause barriers to your learning, such as increased anxiety, feeling overwhelmed, feeling down or lost, difficulty concentrating and/or lack of motivation. Services are available to assist you with addressing these and other concerns you may be experiencing. You can obtain information about how to obtain help for yourself or others through **Mental Health & Wellness at Brescia** (<http://brescia.uwo.ca/life/mental-health-wellness/>) and **Health and Wellness at Western**, http://uwo.ca/health/mental_wellbeing/index.html.

Sexual Violence

All members of the Brescia University College community have a right to work and study in an environment that is free from any form of sexual violence. Brescia University College recognizes that the prevention of, and response to, Sexual Violence is of particular importance in the university environment. Sexual Violence is strictly prohibited and unacceptable and will not be tolerated. Brescia is committed to preventing Sexual Violence and creating a safe space for anyone in the Brescia community who has experienced Sexual Violence.

If you or someone you know has experienced any form of Sexual Violence, you may access resources at <http://brescia.uwo.ca/life/sexual-violence/>.

Portions of this document were taken from the Academic Calendar, the Handbook of Academic and Scholarship Policy and the Academic Handbook of Senate Regulations. This document is a summary of relevant regulations and does not supersede the academic policies and regulations of the Senate of the University of Western Ontario.

Statement of commitment of professor to students:

As a faculty member of Brescia University College, I commit myself to providing the best instruction of which I am capable to my students. My personal and professional sense of duty call upon me to be well prepared and available for consultation. I endeavour to create a classroom atmosphere of love of learning, sustained effort, and a serious outlook towards one's studies. I furthermore strive to create an academic environment where each student is respected, and encouraged to work to the best of his or her ability, in order that all students achieve the academic results of which they are capable.

Proposed statement of adherence of student to academic values:

Love of learning, hard work, initiative, intellectual integrity and respect for others are the authentic values to which students are called upon to commit themselves in the course of their university studies, and beyond.
