This course will provide critical perspectives on the lives of European women 1500 to 1700. Students analyze early modern perceptions, life cycle, individuals, and various roles of women: wife, mother, nun, martyr, midwife, citizen, soldier, worker, property owner, and artist, plus female rulers and regents. The age of the witch hunting craze and the reformation is often considered a time of setbacks for women as they lost economic and political power, along with the prestige they had enjoyed during the Middle Ages. The age also produced a number of female rulers: Mary Queen of Scots, Mary Tudor, Elizabeth I in England, Queen Isabella in Castile and Christina of Sweden. Several Queen Mothers stood in as regents for their underage sons in France during the sixteenth and seventeenth centuries: Catherine de Medici, Marie de Medici and Anne of Austria. Although Europe did not yet exist in 1500, the world of “Christendom” extended over present day western and central Europe.

The course explores some of the questions engaging early modern historians studying women in Europe: Did women have a renaissance? Were women inferior or more sinful than men? What was the everyday life for women in different occupations and social groups? How did life cycle influence status? Was life influenced by the reformation and the dissolution of monastic houses in Protestant countries like England? What role did Angela Merici play in the Catholic reformation in sixteenth century Italy? What impact, if any, did a significant cluster of women rulers and regents have in early modern Europe? These are just some of the questions to be addressed in a thematic analysis of the recent historical literature concerned with early modern women, which explores contemporary perceptions and the reality of their everyday lives.

Classroom Etiquette

As a courtesy to your fellow students and to your instructor, please arrive on time for class as late arrivals disrupt other students and the flow of lectures and discussions. Do not leave class before it ends and be sure to notify me before class if this cannot be avoided. In addition, please refrain from reading newspapers, texting, or having conversations during lectures. Finally, while students are encouraged to debate and discuss the course issues and themes in class, any discussions must be conducted within the grounds of appropriate classroom behaviour. Inappropriate disruptions, disregard for speakers, and/or personal attacks will not be tolerated. In short, please respect the views of your fellow students.

Technology Use in Class

Students must have a good reason to use recording devices and must request permission from me privately. The use of notebook computers and tablets is acceptable provided it does not disturb the class. Inappropriate use of notebooks during lectures and tutorials not only distract you, they also distract those around you and their use may be limited or banned if students are found to be using notebooks and tablets for purposes not class related. The Fine Print

Regarding Academic Misconduct:

The College (and I) have a zero tolerance policy for cheating and academic misconduct. Please read carefully the Policy on Cheating & Academic Misconduct attached to the syllabus.

Scholastic offenses are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offense, at

http://www.uwo.ca/univsec/handbook/appeals/scholastic_discipline_undergrad.pdf

Medical and non-Medical Academic Accommodation: If you have extenuating or medical circumstances that will prevent you from writing a test or exam or meeting an assignment deadline you should advise the instructor immediately. A make-up exam may be written or an extension granted but only after an adequate justification is provided. If documentation is required for either medical or nonmedical academic accommodation, then such documentation must be submitted by the student directly to the Dean's Office of the student's home institution or faculty (Brescia students at Brescia, main campus students at main campus etc) and **not to the instructor**. Once the petition and supporting documents have been received and assessed, appropriate academic accommodation shall be determined by the Dean's Office in consultation with the student's instructor. For further information please see the The Policy Regarding Makeup Exams and Extensions of Deadlines attached to the syllabus.

A Western Student Medical Certificate (SMC) is required where a student is seeking medical academic accommodation. This documentation should be obtained at the time of the initial

consultation with the physician or walk-in clinic. Note that most walk-in clinics in London will have SMCs available, but for family physician visits, you should bring an SMC with you. For work representing less than 10% of the overall grade, if a student is unable to meet a deadline etc. for reasons beyond their control, they should discuss the matter with the instructor in advance and give adequate justification.

IMPORTANT INFORMATION

Tests/Examinations

Students are responsible for seeking accommodation with appropriate documentation, **prior** to writing tests/examinations, if they are of the view that their performance may be affected by extenuating circumstances. **NOTE:** Contact **Brescia's Senior Academic Advisors**.

1. A penalty of five (5) marks will be assessed for essays submitted the first day after the deadline.
2. A penalty of one (1) mark will be assessed for each subsequent day, including weekends.
3. No essays will be accepted after the 7th day beyond the deadline, including weekends.
4. Exceptions to the above provisions will be granted only on the basis of
 - (a) humanitarian grounds (**Note:** In fairness to all students, documented evidence will be required when a death or serious illness in the family has occurred);
 - (b) medical grounds for which written proof must be provided (**Note:** This may be submitted to the Dean's Office). **NOTE:** Contact **Brescia's Senior Academic Advisors**.
5. Computer breakdowns will not be considered under provision 4 (a).
6. A student who fails to submit all the required written assignments, which together make up the "Essay" component of the course, will not receive credit for the course.
7. Brescia is committed to Academic Integrity. All required papers are subject to submission for textual similarity review to the commercial plagiarism detection software at Turnitin.com (<http://www.turnitin.com>).

2019-20 BRESCIA UNIVERSITY COLLEGE ACADEMIC POLICIES AND REGULATIONS

1. POLICY REGARDING ACADEMIC ACCOMMODATION

The complete policy regarding [Accommodation for Illness - Undergraduate Students](http://www.westerncalendar.uwo.ca/PolicyPages.cfm?Command=showCategory&PolicyCategoryID=1&SelectedCalendar=Live&ArchiveID=#Page_12) can be found at http://www.westerncalendar.uwo.ca/PolicyPages.cfm?Command=showCategory&PolicyCategoryID=1&SelectedCalendar=Live&ArchiveID=#Page_12.

Students who have long-term or chronic medical conditions which may impede their ability to complete academic responsibilities should seek Academic Accommodation through Student Accessibility Services (http://www.westerncalendar.uwo.ca/PolicyPages.cfm?PolicyCategoryID=1&Command=showCategory&SelectedCalendar=Live&ArchiveID=#Page_10).

Personal commitments (e.g., vacation flight bookings, work schedule) which conflict with a scheduled test, exam or course requirement are **not** grounds for academic accommodation.

Students who experience an illness or extenuating circumstance sufficiently severe to temporarily render them unable to meet academic requirements may submit a request for academic consideration through the following routes:

1. Submitting a **Self-Reported Absence** form provided that the conditions for submission are met;
2. For medical absences, submitting a **Student Medical Certificate (SMC)** signed by a licensed medical or mental health practitioner;
3. For non-medical absences, submitting **appropriate documentation** (e.g., obituary, police report, accident report, court order, etc.) to their Academic Advisor. Students are encouraged to contact their Academic Advisor to clarify what documentation is acceptable.

Requests for Academic Consideration Using the Self-Reported Absence Portal

Students who experience an unexpected illness or injury or an extenuating circumstance of 48 hours or less that is sufficiently severe to render them unable to meet academic requirements should self-declare using the online Self-Reported Absence portal. This option should be used in situations where the student expects to resume academic responsibilities within 48 hours. Note that the excused absence includes all courses and academic requirements within the up to 48 hours, it is not intended to provide an excused absence from a single course while students fulfill their academic responsibilities in other courses during that time.

The following conditions are in place for self-reporting of medical or extenuating circumstances:

1. Students will be allowed a **maximum of two self-reported absences** between September and April and one self-reported absence between May and August;
2. The duration of the absence will be for a maximum of 48 hours from the time the Self-Reported Absence form is completed through the online portal, or from 8:30 am the following morning if the form is submitted after 4:30 pm;
3. The excused absence will terminate prior to the end of the 48 hour period if the student undertakes significant academic responsibilities (writes a test, submits a paper) during that time;
4. Self-reported absences will **not** be allowed for scheduled final examinations; midterm examinations scheduled during the December examination period; or for final lab examinations scheduled during the final week of term;
5. Self-report absences may **not** be used for assessments worth more than 30% of any course;
6. Any absences in excess of 48 hours will require students to present a Student Medical Certificate (SMC), or appropriate documentation;
7. Students **must** communicate with their instructors **no later than 24 hours after the end of the period covered by the Self-Reported Absence form** to clarify how they will fulfil the academic expectations they may have missed during the absence.

Request for Academic Consideration for a Medical Absence

When a student requests academic accommodation (e.g., extension of a deadline, a makeup exam) for work representing 10% or more of the student's overall grade in the course, it is the responsibility of the student to provide acceptable documentation to support a medical or compassionate claim. All such requests for academic accommodation **must** be made through an Academic Advisor and include supporting documentation.

Academic accommodation for illness will be granted only if the documentation indicates that the onset, duration and severity of the illness are such that the student could not reasonably be expected to complete their academic responsibilities. Minor ailments typically treated by over-the-counter medications will not normally be accommodated.

The following conditions apply for students seeking academic accommodation on medical grounds:

1. Students must submit their Student Medical Certificate (SMC) along with a request for relief specifying the nature of the accommodation being requested no later than two business days after the date specified for resuming responsibilities. An SMC can be downloaded from http://www.uwo.ca/univsec/pdf/academic_policies/appeals/medicalform.pdf ;
2. In cases where there might be an extended absence or serious issue, students should submit their documentation promptly and consult their Academic Advisor for advice during their recovery period;
3. Whenever possible, students who require academic accommodation should provide notification and documentation in advance of due dates, scheduled tests or examinations, and other academic requirements;
4. Students **must** communicate with their instructors **no later than 24 hours** after the end of the period covered by the SMC to clarify how they will fulfil the academic expectations they may have missed during the absence;
5. Appropriate academic accommodation will be determined by the Dean's Office/Academic Advisor in consultation with the course instructor(s). Academic accommodation may include extension of deadlines, waiver of attendance requirements, arranging Special Exams (make-ups), re-weighting course requirements, or granting late withdrawal without academic penalty.

The [full policy on requesting accommodation due to illness](#) can be viewed at:

http://www.westerncalendar.uwo.ca/PolicyPages.cfm?Command=showCategory&PolicyCategoryID=1&SelectCalendar=Live&ArchiveID=#Page_12

2. ACADEMIC CONCERNS

If you feel that you have a medical or personal challenge that is interfering with your work, contact your instructor and Academic Advisor as soon as possible. Problems may then be documented and possible arrangements to assist you can be discussed at the time of occurrence rather than on a retroactive basis. Retroactive requests for academic accommodation on medical or compassionate grounds are not normally considered.

If you think that you are too far behind to catch up or that your work load is not manageable, you should consult your Academic Advisor. If you consider reducing your workload by dropping one or more courses, this must be done by the appropriate deadlines; please refer to the [Registrar's website](#), <http://brescia.uwo.ca/academics/registrar-services/> or the list of official sessional dates in the Academic Calendar (<http://www.westerncalendar.uwo.ca/SessionalDates.cfm?SelectedCalendar=Live&ArchiveID=>).

You should consult with the course instructor and the Academic Advisor who can help you consider alternatives to dropping one or more courses. *Note that dropping a course may affect OSAP eligibility and/or Entrance Scholarship eligibility.*

3. ABSENCES

Short Absences: If you miss a class due to a minor illness or other problems, check your course outline for information regarding attendance requirements and make sure you are not missing a test or assignment. Cover any readings and arrange to borrow notes from a classmate. Contact the course instructor if you have any questions.

Extended Absences: If you have an extended absence, you should contact the course instructor and an Academic Advisor. Your course instructor and Academic Advisor can discuss ways for you to catch up on missed work, and arrange academic accommodations if appropriate and warranted.

It is important to note that the Academic Dean may refuse permission to write the final examination in a course if the student has failed to maintain satisfactory academic standing throughout the year or for too frequent absence from the class or laboratory

(http://www.westerncalendar.uwo.ca/PolicyPages.cfm?Command=showCategory&PolicyCategoryID=5&SelectedCalendar=Live&ArchiveID=#SubHeading_68).

4. SCHOLASTIC OFFENCES

Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence at:

http://www.westerncalendar.uwo.ca/PolicyPages.cfm?Command=showCategory&PolicyCategoryID=1&SelectedCalendar=Live&ArchiveID=#Page_20.

Students are responsible for understanding the nature of and avoiding the occurrence of plagiarism and other academic offences. Note that such offences include plagiarism, cheating on an examination, submitting false or fraudulent assignments or credentials, impersonating a candidate, or submitting for credit in any course without the knowledge and approval of the instructor to whom it is submitted, any academic work for which credit has previously been obtained or is being sought in another course in the University or elsewhere. Students are advised to consult the section on Scholastic Discipline for Undergraduate Students in the Academic Calendar.

If you are in doubt about whether what you are doing is inappropriate or not, consult your instructor, the Academic Dean's Office, or the Registrar. A claim that "you didn't know it was wrong" is not accepted as an excuse.

The penalties for a student guilty of a scholastic offence (including plagiarism) include refusal of a passing grade in the assignment, refusal of a passing grade in the course, suspension from the University, and expulsion from the University.

Plagiarism:

Students must write their essays and assignments in their own words. Whenever students take an idea or a passage from another author, they must acknowledge their debt both by using quotation marks where appropriate and by proper referencing such as footnotes or citations. Plagiarism is a major academic offence.

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com (<http://www.turnitin.com>).

Computer-marked Tests/exams:

Computer-marked multiple-choice tests and/or exams may be subject to submission for similarity review by software that will check for unusual coincidences in answer patterns that may indicate cheating. Software currently in use to score computer-marked multiple-choice tests and exams performs a similarity review as part of standard exam analysis.

5. PROCEDURES FOR APPEALING ACADEMIC EVALUATIONS

All appeals of a grade must be directed first to the course instructor. If the student is not satisfied with the decision of the course instructor, a written appeal is to be sent to the School Chair. If the response of the Chair is considered unsatisfactory to the student, they may then submit a written appeal to the Office of the Dean. If the student is not satisfied with the decision of the Dean, they may appeal to the Senate Review Board Academic (SRBA), if there are sufficient grounds for the appeal and if the matter falls within the jurisdiction of the SRBA. For information on academic appeals consult your Academic Advisor or see the Student Academic Appeals – Undergraduate in the Academic Calendar

http://www.westerncalendar.uwo.ca/PolicyPages.cfm?Command=showCategory&PolicyCategoryID=1&SelectedCalendar=Live&ArchiveID=#Page_14.

Note that final course marks are not official until the Academic Dean has reviewed and signed the final grade report for the course. If course marks deviate from acceptable and appropriate standards, the Academic Dean may require grades to be adjusted to align them with accepted grading practices.

6. PREREQUISITES

Unless you have either the prerequisites for a course or written special permission from the Dean to enroll in it, you will be removed from the course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisite(s).
